## RE: Tri-Trail Connector Project Construction Start

Dear Resident:

This letter is to inform you that construction of the Village's Tri-Trail Connector Project is expected to begin the week of October 9, 2023. Preliminary construction efforts, such as materials staging, installation of temporary fencing, and inlet filter baskets may begin sooner.

This project consists of the construction of a new off-street shared-use path that will connect the Village's three existing recreational trails: the Illinois Prairie Path, the Great Western Trail, and the Salt Creek Greenway Trail. General information, as well as periodic updates on the project, can be found on the dedicated webpage located on the Village website: [www.invillapark.com/1049/Tri-Trail-Connector-Project](http://www.invillapark.com/1049/Tri-Trail-Connector-Project).

If you have any questions or would like additional information, please do not hesitate to contact the Village of Villa Park Engineering Division by email at [engineering@invillapark.com](mailto:engineering@invillapark.com) or by phone at (630) 834-8505.
