**RE: Jackson Area Improvement Project  
Temporary Loss of Driveway Access 02 (Madison St)**

Dear Resident:

**Please make arrangements to have all necessary vehicles out of your driveway by 6:00 A.M. on Thursday, May 1, 2025.**

Construction of the Jackson Area Improvement Project has reached the point where the preparation of the roadway for new curb, sidewalk, and asphalt paving on Madison Street is ready to begin. As part of this work, residents on Madison Street from Addison Avenue to Michigan Avenue will temporarily lose access to their driveways while work is taking place. **This loss of access will be between 6 a.m. and 6 p.m. Monday through Saturday, until further notice, weather and other circumstances permitting.** Residents are encouraged to remove any necessary vehicles from their driveways between the hours of 6:00 a.m. and 6:00 p.m. and park them on adjacent side streets. Residents are also permitted to continue parking overnight on adjacent side streets, where usually permitted.

We recognize that this work will have a significant impact for residents on Madison Street, and we apologize in advance for this inconvenience. This loss of access is intended to shorten the overall time it takes to get the work completed, which will end the road closure and detour route and inconvenience residents less overall. Please direct all questions, concerns, and any other communications to the Engineering Division of the Village of Villa Park Public Works Department, either by phone at (630) 834-8505, or by email to [engineering@invillapark.com](mailto:engineering@invillapark.com).

During this time:

- Residents will not have any access to their driveways between the hours of 6 a.m. to 6 p.m. Monday through Saturday.
- Residents are asked to park outside of active work areas during the day where parking is normally permitted. Areas zoned as "No Parking" still apply. Do not park outside Village limits, as typical parking restrictions for the Village of Lombard still apply.
- Residents that require special accommodation should contact the public works department so that we can accommodate as best as possible.
- The Villa Park Police Department will be notified of the need for this parking situation and should accommodate residents accordingly. You do not need to register with the police department to park on the street overnight.

# Permitted On-Street Overnight Parking for Affected Residents

No overnight parking allowed.

W MADISON ST

S ADDISON AVE

S WISCONSIN AV

S MICHIGAN AV

The Villa Park Police Department will be notified of the need for this parking situation and should accommodate residents accordingly. You do not need to register with the police department to park on the street overnight. This only applies to streets within the limits of Villa Park.
