VILLA • PARK

Big News!

As you may (or may not) know one of the refrigerators at the Recreation Building recently stopped working. It is really helpful to have 2 fridges in the building especially for Birthday Bunch and Lunch.

Thanks to a very generous donation to the Villa Park Recreation Department from a participant, the building will soon have a brand new fridge. Thank you, thank you to the donor!

Winter/Spring Activity Guide

The new activity guide covering January-May is now available. Copies are available at the Iowa Community Center, 338 N. Iowa. If you'd like a copy mailed just give a call to 630-834-8970 ext. 6084.
