**RE: REBUILD Illinois Resurfacing Project (2022)
Temporary Loss of Driveway Access**

Dear Resident:

Construction of the **REBUILD Illinois Resurfacing Project** is expected to begin **Monday, October 17, 2022**, weather permitting. As part of this work, the contractor is planning on removing and replacing sections of curb in front of your property which will temporarily affect access to your driveway. To allow this work to take place, **you will not have access to your driveway from October 17 through the following seven to ten days**, weather and other circumstances permitting.

We ask that you please make arrangements to have all necessary vehicles out of your driveway by 6:00 AM on Monday, October 17, 2022.

During this time:

- Residents are asked to park on side streets outside of the work area during the day where normally permitted. Please do not park in areas where parking is normally not allowed. The work area consists of:
 - Wisconsin Ave – St Charles Rd to Division St
 - Elm St – Westmore Ave to Addison Rd
 - Division St – Westmore Ave to Addison Rd
- Residents will be allowed to park overnight within the work area (where normally permitted) between the hours of 5:00 PM and 6:00 AM. Any vehicles parked here must be out of the way by 6:00 A.M.
- The Villa Park Police Department will be notified of the need for this parking situation and should accommodate residents accordingly.
- Please do not park overnight on Westmore Avenue, as this is outside the jurisdiction of the Villa Park Police Department.

PLEASE SEE REVERSE

We fully understand that this work will be one of the most inconvenient portions of the project for residents but would like to emphasize that this will mark a substantial move towards completion of the project. After these improvements are complete, resurfacing of the project streets can begin.

As always, all questions and comments regarding this project should be directed to the Engineering Division of the Village of Villa Park Public Works Department via email at engineering@invillapark.com or by phone at (630) 834-8505 between the hours on 7:30 a.m. and 4:00 p.m.. We also ask that any residents with special needs contact us so that we can accommodate them as best as possible. We thank you for your continued patience, especially during this period of the project. If you have any questions or would like additional information, please do not hesitate to contact us.
